Hi Tinka,

Nevermind. 😊 I had a chance to read through the attachments and see that *Legionella* is a component to the subcommittee's goals. Therefore, my attendance on these calls will help keep me informed of that effort.

Thanks,  
 -Kim

Hi Tinka,

Quick question - Bob Kaplan's assistant asked me to attend today's FWICC Water Quality Subcommittee meeting (which I did). Is this related to the *Legionella* role that I was asked to fill? Today's meeting didn't include any discussion related to *Legionella*, so I just wanted to check in with you and make sure that I understood my responsibilities.

Thanks!  
 -Kim
